TAKE CURIOSITY CRUISING

Be unbound by terrains or trails with first-in-segment 9-spoke alloy wheels wrapped in wide block-tread tyres.

Easy on the eyes and tough on the terrain, the upside-down front suspension ensures smooth riding even at high speeds.

SWITCH SPONTANEOUSLY

Through packed city lanes or slick monsoon roads, the Dual-Channel ABS with Rain & Urban ride modes* keeps your ride smooth, always.

*Available in Mid & Top variant
